Join us for our Lunch & Lecture.

Wednesday, June 11th, 2014 at 12:00 Noon

Texas Land & Cattle

2103 Promenade Blvd, Rogers, AR

Building with NUDURA Insulated Concrete Forms gives your clients and their builders the opportunity to build faster and more efficient, while offering an eco-friendly structure with substantial benefits that contribute to long-term energy savings and safety.

How do you design or build your walls?

Let NUDURA change the way you think about building.

Please plan on attending this sponsored one hour lecture of:
“An Overview of ICFs” from NUDURA and an introduction to “Lite-Deck ICFs” for floors & ceilings from Lite-Forms.

Architects: Get 1 CEC (HSW) for Attendance.
