The Arkansas ASHRAE Chapter cordially invites you to attend an ASHRAE webinar on **April 23, 2015 12:00—3:00 CST**. This webinar can be attended in Central Arkansas at **Harrison Energy Partners 1501 Westpark Dr #9, Little Rock, AR 72204** and in Northwest Arkansas at **Harrison Energy Partners Parts Location Training Center 616 Madison, Springdale, AR 72762**. There will be a \$10 fee to cover the cost of lunch and drinks.

This webcast will feature industry experts who will define the benefits of existing building commissioning for the environment, occupants, operations staff, and overall ownership costs. Viewers will be able to recognize the varied scopes of commissioning, when to apply comprehensive versus focused commissioning, and best practices in existing building commissioning specifications & contracting.

### Earn Continuing Education Credits

Three (3) Professional Development Hours (PDHs) will be awarded to participants who complete the Participant Reaction Form online by May 8, 2015. The webcast program has also been approved for (3) LUs by AIA as well as 3 CEHs by GBCI.
