2021 Allied Member Prospectus

Your Invitation to Support AIA Arkansas

AIA Arkansas knows this past year has been hard for everyone and it has changed the way we interact and engage with each other. We value our relationship with our Allied Members very much and we are sending out this prospectus to adjust our Allied Program with the recent changes in mind to reflect our Allies needs.

We have taken both your feedback as well as the feedback from our membership and we believe this is a great temporary solution to allow the rich and meaningful connections between our Members and Allied Members to continue. We are planning to continue our online lecture series throughout the calendar year, as well as a two-day convention-like experience in October that will include Featured Speakers, various CEU classes, our annual Design Awards Gala, as well as our State golf tournament - just to name the highlights.
