BARK + BUILD

DOG HOUSE DESIGN COMPETITION

-  AIA Arkansas invites you to participate in this year's PAW-some Architect as Artist competition that is sure to get your tails wagging. We are challenging groups and/or individuals to design + construct dog houses for our furry friends at the Humane Society for Animals, Inc.
-  Each entry will be donated to the Humane Society for Animals, Inc at the end of this years convention. The Humane Society for Animals has held over 90,000 animals since it originally opened in 1963 and continuously houses a total of around 85 dogs and 20 cats.
-  All entries must fit within a 36" cubed area, and are required to be present and on display at the start of convention on October 26th. All entries will be judged on creativity, functionality, and material selection.
-  We look forward to seeing everyone's creative houses!
