2023 Allied Member Engagement Program

Your Invitation to Support AIA Arkansas

Allied Membership is available to companies, organizations, and individuals who share an interest in the built environment. Allied Members include those involved in roles allied to the field of architecture, like engineers, planners, landscape architects, craftspeople and artists and professionals involved in government, educational, and legal services.

The purpose of the Allied Membership is to develop long term professional relations between the architectural community and allied industries.

Allied Membership Levels

To be a sponsor you must first be an Allied member of AIA Arkansas.

SPONSORSHIPS

AIA Arkansas provides the Arkansas architecture community with resources and relationships to make a difference through design.

AIA Arkansas wants to help you reach the design community with a variety of opportunities for exposure. We offer a direct way to reach design professionals and strengthen and build your relationships with the design community.

Sponsorship of an individual event provides visibility during advance promotions as well as onsite at the event, and is a good way to engage specific design audiences relevant to your product offerings. Additional sponsorship opportunities for events and programs will become available as they are developed by chapter committees.

The first step to sponsoring an AIA Arkansas event is to become an AIA Arkansas Allied member! To join or renew, visit aiaar.org or contact our office at 501.661.1111.

LEGACY EVENT SPONSORSHIP

Our AIA Committees & Sections have worked hard in the past to put on several engaging networking Legacy Events.

As a Legacy Event Sponsor, your company will be recognized as a sponsor of its chosen Legacy Event on all printed and digital references throughout the year. Your company will also be permitted to share brief remarks to the guests at each of these gatherings.
