SECTION EVENT  
SPONSORSHIPS

2024  
EVENT  
SPONSORSHIPS

## **AIA Arkansas provides the Arkansas architecture community with resources and relationships to make a difference through design.**

AIA Arkansas wants to help you reach the design community with a variety of opportunities for exposure. We offer a direct way to reach design professionals and strengthen and build your relationships with the design community.

Our AIAAR Committees & Sections coordinate special events meant to foster camaraderie, promote the architectural profession, and foster collaboration amongst others in the design, engineering, and construction industries. These events provide an opportunity for you to promote your business to a specialized target market while networking and establishing new business leads.

Sponsorship of an individual event provides visibility during advance promotions as well as onsite at the event, and is a good way to engage specific design audiences relevant to your product offerings. Additional sponsorship opportunities for events and programs will become available as they are developed by chapter committees.

Event Sponsorship costs are determined on a case-by-case basis. Event Sponsorship can be for portions of an event such as food or drinks, an entire event, or CE series.

**The first step to sponsoring an AIA Arkansas event is to become an AIA Arkansas Allied member! To join or renew, visit [aiaar.org](http://aiaar.org) or contact our office at 501.661.1111.**
